RESOLUTIONS, CONSTITUTIONS & BY LAWS

Report to Cabinet

Fourth Cabinet Meeting – 24 April 2021

Dear DG Pieter

Fellow Cabinet Members

Herewith the report

General

It has been stated that the District W Constitution was not updated for the years 2019/2020. PDG Jimmy and I will work on the it and can be classified as a “work in progress”.

In respect of the balance of my report to Cabinet, it is simply the three constitutional amendments and a late resolution that will be tabled. All are annexed hereto for ease of reference.

I trust that the last Cabinet (and Convention) meeting of 2020/2021 will be fruitful and full of fun as is required.

MOTIONS FOR RESOLUTION

LIONS CLUBS INTERNATIONAL DISTRICT 410W CONSTITUTION AND BY-LAWS

1. LIONS CLUBS INTERNATIONAL DISTRICT 410W : AMENDMENT OF DISTRICT 410W CONSTITUTION IN ORDER TO BE SIMILAR TO THE LIONS CLUBS INTERNATIONAL STANDARD DISTRICT CONSTITUTION

Submitted by the Cabinet of District 410W

WHEREAS the International Board of Lions Clubs International has approved and amended the Standard District Constitution of Lions Clubs International it is prudent to amend the District 410W Constitution to be aligned with the aforesaid Constitution

AND WHEREAS the Constitution of Lions Clubs International District 410W in "Bylaws – Article II Section 7 states:

- (a) Be an Active Member in good standing of a chartered Lions club in good standing in his/her single or sub-district.
- (b) Have served or will have served at the time he/she takes office as first or second vice district governor:
 - (i) As officer of a Lions club for a full term or major portion thereof; and
 - (ii) As a member of the district cabinet for a full term or major portion thereof.
 - (iii) With none of the above being accomplished concurrently.

AND WHEREAS the Standard District Constitution of Lions Clubs International states in Bylaws – Article Section 6:

- (a) Be an Active Member in good standing of a chartered Lions club in good standing in his/her single or sub-district.
- (b) Secure the endorsement of his or her club or a majority of the clubs in his/her single district.
- (c) Have served or will have served at the time he/she takes office as first or second vice district governor:
 - (i) As officer of a Lions club for a full term or major portion thereof; and
 - (ii) As a member of the district cabinet for a full term or major portion thereof.
 - (iii) With none of the above being accomplished concurrently.

BE IT RESOLVED THAT:

That the Bylaws – Article II Section 7 of the Constitution of Lions Clubs International District 410W be amended to include clause "(b)", Secure the endorsement of his or her club or a majority of the clubs in his/her single district, in order to conform with the Standard District Constitution of Lions Clubs International.

MOTIVATION:

That conformity exists between the respective Constitutions.

2. LIONS CLUBS INTERNATIONAL DISTRICT 410W : AMENDMENT OF DISTRICT 410W CONSTITUTION IN TERMS OF A POLICY DECISION BY THE MULTIPLE DISTRICT COUNCIL AT THEIR MEETING OF 1 FEBRUARY 2020 AT GORDON'S BAY AND A DECISION MADE BY THE CABINET OF DISTRICT 410W AT THE CABINET MEETING OF 1 AUGUST 2020

Submitted by the Cabinet of District 410W

WHEREAS the Multiple District Council 410 approved the following policy at their meeting:

"That a candidate for Second Vice District Governor shall have participated in and successfully completed a Regional Lions Leadership Institute (RLLI) or similar", it be included and added to the Constitution of District 410W.

BE IT RESOLVED THAT:

That the following paragraph be added to Article II, Section 3 of the Constitution of Lions Clubs International District 410W:

That a candidate for Second Vice District Governor shall have participated in and successfully completed a Regional Lions Leadership Institute (RLLI) or similar

MOTIVATION:

As the MD 410 Council, at its meeting held on 1st February 2020 in Gordon's Bay, adopted a policy whereby the additional criteria for election to the office of Second Vice District Governor shall be "that a candidate shall have participated in and successfully completed a Regional Lions Leadership Institute (RLLI) or similar" in order to bring conformity between the Multiple District 410 and District 410W.

3. LIONS CLUBS INTERNATIONAL DISTRICT 410W : AMENDMENT OF DISTRICT 410W CONSTITUTION IN ORDER TO BE SIMILAR TO THE LIONS CLUBS INTERNATIONAL STANDARD DISTRICT CONSTITUTION

Submitted by the Cabinet of District 410W

WHEREAS the International Board of Lions Clubs International has approved and amended the Standard District Constitution of Lions Clubs International it is prudent to amend the District 410W Constitution to be aligned with the aforesaid Constitution

AND WHEREAS the Constitution of Lions Clubs International Standard District Constitution states in Bylaws – Article 7, Section 7 that Region/Zone Chairperson Qualifications should include the following:

- (c) *Have not previously served a full term or a major portion thereof as district governor*
- (d) *Zone and region chairpersons may serve no more than three (3) cumulative years in said position.*

AND WHEREAS the Constitution of Lions Clubs International District 410W in "Bylaws – Article II Section 7 does not contain it, it be added to the aforesaid Section.

BE IT RESOLVED THAT:

That the following paragraphs be added to Article II, Section 7 of the Constitution of Lions Clubs International District 410W that Region/Zone Chairpersons:

Have not previously served a full term or a major portion thereof as district governor.
Zone and Region chairpersons may serve no more than three (3) cumulative years in said position.

MOTIVATION:

That conformity exists between the respective Constitutions.

MOTION FOR LATE RESOLUTION: 2021 LIONS DISTRICT 410W CLASSIC CONVENTION being held on the 24th April 2021 – Lions Senior Citizen Dues

WHEREAS Lions give freely of their time to serve their communities; some members serve for many years touching the lives of many people

AND WHEREAS When Lions age they are often faced with many financial challenges and cannot afford to pay their dues and having no alternative financial support from Lions have to resign

AND WHEREAS It should be a privilege for our district to look after our aged members in appreciation for their contribution they have made to the district and to the community

AND WHEREAS Our lions' clubs need the knowledge and support from these senior Lions members

BE IT RESOLVED THAT: Article VIII section 5 of the By-laws be amended.

Section 5. SENIOR CITIZEN MEMBERSHIP DUES. Lions of good standing with at least ten years of continuous service who are seventy years or older and whose monthly household income is less than R10,000 per month may apply for a fifty percent reduction in Lions Clubs International District 410W Administration Fund tax. The application form needs to be submitted by the respective Lions club to the district Finance Committee for consideration.

to be replaced to read as follows:

Section 5. SENIOR CITIZEN MEMBERSHIP DUES.

Lions of good standing who are sixty-five years or older and whose household income is less than R10,000 per month may apply for a fifty percent (50%) reduction in Lions Clubs International District 410W Administration Fund tax. The application form needs to be submitted by the respective Lions club to the District Finance Committee for consideration.

MOTIVATION: Senior Lions should have the opportunity to remain Lions by being given an option to pay reduced District dues. They are dedicated Lions and serve the District and the community. They have also become part of the Lions family and to some this might be the only family that they have. Most senior lions still play a vital role in clubs and district and are a valuable knowledge source to our Lions Clubs.

Cabinet Report

1st VDG Report to 4th Cabinet Meeting - Aidan Ewers

Dear DG Peter & Cabinet Officers,

I would like to take this opportunity to thank DG Pieter for leading us during this trying time.

Travelling to the Namibian Regional Indaba in Henties Bay during the month of March with DG Pieter, PDG Tilly and Lion Barbara was the highlight of my year. The Namibian Lion members received and welcomed us with open hearts. This event was well organised and highly informative. Meeting one another will go a long way in cementing a foundation of success and meaningful relationships for the new year.

It is good to see the improvement in many more Clubs now reporting on My Lion. 88% of Clubs are now reporting. Well done and thanks to PDG Tilly Nel for your ongoing focus and dedication.

Many Clubs took up the challenge to raise an awareness of gender-based violence on World Woman's Day, by walking in Heels. This event raised a total of R70,000. Well done to all who participated, and it was great to see the amount of valuable publicity achieved.

The Lions District Awareness Day on the 10th of April was also a well-supported with many Clubs participating in various projects.

During the past quarter I have attended a variety of many Zoom sessions.
International, VDG, DG, Training and Lion Leadership meetings.

There has been a concern raised that some Clubs have conducted projects in areas other than their own. Whilst this is acceptable, it is suggested that the relevant home Club be informed of these intentions and consider inviting them to join which will ensure a unified approach in Serving together.

I have great pleasure in announcing that the Incoming Cabinet for the new Fiscal year has been duly appointed. All have accepted their positions with enthusiasm and are looking forward to serving our District.

Yours in Lions

Aidan

Dear Cabinet members

The final quarter of our Lionistic year is here. Even with the challenges of the lockdown and only recently having a reprieve from the very stringent regulations the Lions clubs have continued service with great abandon. Many clubs are now getting the opportunity to start meeting face to face and a general sense of joy of some form of human interaction can be seen. The service activities and projects that have been achieved since the easing of lockdown is phenomenal and Lions in our district have stepped up and met the ever-increasing need in the communities. Thank you to all the clubs for their inspiration, for all of us to do our best and carry the light into the world giving hope and love where it is most needed.

I have no doubt by the current level of service been done that the rest of our Lionistic year will be full of service, kindness, compassion and most of all fun.

Continue being kind to your fellow members and family as the last year has been challenging to say the least.

I also want to thank the DG team & cabinet members and Lions for their dedication and perseverance in these challenging times.

May the last quarter be one of blessings and gratitude.

Don't forget to be awesome!

Kind Regards

Charlie Flanagan

TREASURER REPORT 410W

Barbara Haywood

barbara@edenlions.org.za 072 699 4180

24th April 2021

4th Cabinet Meeting

I hereby submit the financials up to the end of the 3rd quarter. There are not any major issues and I would like to thank cabinet members for their support and cooperation in enabling the smooth running of the finances.

Even through these hard times – clubs have responded well and have mostly paid dues as required. Robertson having been cancelled unfortunately has R9388 district dues that have to be written off. Also Gordonia still owes the money paid on their behalf by district for the first half of the year but the club has shown signs of picking up and improving, so the debt is not being written off at this stage. Their progress will be monitored.

Proposal 1: *In light of the admin fund being in a healthy position and clubs still battling as a result of covid , I made the proposal to the DG team to again assist clubs by granting a 50% discount for the full fiscal year on district dues for all members. Instead of waiving a full billing period – the reduction will be spread over the year to make it easier. It was approved by the team and will go to the cabinet for their approval.*

Proposal 2: *Another Proposal is being brought forward from the DG team meeting. PDG Carl proposed that district make a R60 000 contribution to Hentiesbay for the camera systems required in their Dementia Centre. It was seconded by PDG Tillie and agreed by all and now requires cabinet approval.*

I would like to wish the DG a successful cabinet meeting and convention and thank him for his support over the year.

Kind Regards

Cabinet Treasurer

Barbara Haywood

District Governor Pieter and fellow Cabinet Officers

The Committee has not physically met since 25 January 2020. All requests have been handled through emails and Whats App.

An email request was received from PDG Paula on 15 March 2021, for funding amounting to R 23681.00 for a Trainers workshop in May. This was forwarded to the Fin Com Team for comments and approval on 17 March 2021. There was a majority approval from the Fin Com Team for the funding.

I have perused the District Admin and Project accounts which CT Barbara has prepared for the period ending 31 March 2021 and found them to be in order.

Lion Deon van Wulven, who has agreed to take over the position of Fin Com Chair with effect 1 July 2021, and 1st VDG Aiden have been working on the proposed budget for 2021/2022.

There is a possibility of more requests being made at the DG Team meeting on Thursday, 15 April 2021, which will then be brought to the Cabinet Meeting on 24 April 2021.

District Governor Pieter, I wish you a very successful Fourth Cabinet meeting.

PDG Lance Maytham
Finance Committee Chairperson

CABINET SECRETARY REPORT FOR THE 4th CABINET MEETING
TO BE HELD ON 24th APRIL 2021 VIA ZOOM.

15th April 2021

Dear DG Pieter & Cabinet Officers,

I have sent out the minutes of the 3rd Cabinet Meeting and other correspondence.

I have also forwarded all emails to Lion Sandy that I have received from Council Secretary Beaulieu for distribution plus other notifications. Some emails were resent to ensure that all clubs received the messages.

I compiled a list of all clubs and names of who has registered for the District Convention. As usual a lot of members only registered at the very last moment. Hopefully next year we can meet in person for the MD and District Conventions and then we will not have the same challenges when it comes to the voting process but if not I will be more prepared.

I continue each month to send letters to any new member that has been inducted plus a Woolworths Card application form. Letters of congratulations are also sent out each month to a club on their charter date wishing them all the best.

Yours in Service,

Judy Young

	4 of Zone 1 clubs took part in the walking in heels project. We donated a combined total of R10 330. Very proud of the 4 clubs who took part. Hopefully next year all the clubs will join in the fun. (Eden – R2000, George – R2780, Sedgefield – R4000, Uniondale – R1550. It will show in the LCIF column soon.
	Zone 1 & 2 will be having a Lions Indaba. Sedgefield Lions Club will be hosting this fun weekend. (14-16 May 2021) This weekend is for Lions to brainstorm, share ideas and fellowship. Our zone meeting will also be held that weekend.
	Most clubs took part in the Lions awareness project. It was enjoyed by all. Other clubs will still have their project later in the month.
	Reporting of projects is going well
	I use our Zone 1 whats app group to encourage clubs and share info.

	Hopefully before the end of this Lions year, I would have visited all clubs at least once.

REGION CHAIRPERSON REPORT - NAMIBIA - Cabinet Meeting 24 April 2021

The Region Indaba for this fiscal year was held at the Lions Centre in Henties Bay on the 13th of March 2021. Overall it was a huge success. It appears that the Lions that registered for the Indaba surpassed attendance of previous Indabas, ever. Considering that, in these difficult times, it was really a very special occasion.

The Region Indaba was graciously visited by our District Governor Pieter, DC Tillie, VDG Aidan and Cabinet Treasurer Barbara. This was highly appreciated.

The Henties Bay Lions Club excelled itself with their thorough and precise preparations for a smooth running event.

The catering was absolutely faultless. Except for the tasteful food all Lions could enjoy refreshments at all times. We also acknowledge the fact that expenses were kept to a considerate minimum.

Hosting a Region Indaba and abiding by the Covid-19 regulations with the amount of people that attended, we can really congratulate the Henties Bay Lions Club for their tremendous and thorough input. The standard that you set will be hard to beat for upcoming Indabas.

Business conducted at the Indaba was fruitful.

Reporting of Lions Clubs service to their Communities was highlighted by their Presidents. Except for other minor issues Namibian Lions affairs concluded by finalizing the Region Indaba date for 2022, which will take place in the North, Zone 4, on 11 & 12 March 2022.

The project leader, Zone Chair Gert, spoke about the development and plans of the Namibia Dementia Centre. A visit was paid to the building, which was at roof level, and the progress was discussed, a pleasant experience and surprise to see.

In conclusion, the Zone Chairpersons for the fiscal year 2021/2022 were nominated. Zone 3, Zone Chair Gert Grobler from Henties Bay Lions Club will do another year. Zone 4, incoming Zone Chair Johan van Heerden from Grootfontein Lions Club, and Zone 5, incoming Zone Chair Johan van Rensburg from Windhoek Lions Club. The Region Chair for Namibia was appointed by the DGE Aidan.

The official charter of Otavi Lions Club remains outstanding but will in some way be attended to.

Due to the pandemic the progress of new Lions Clubs has also come to a halt.

Wishing everyone a fruitful 4th Cabinet Meeting

Peter Mutschler

REPORT: CABINET MEETING: 24 APRIL 2021

Another year racing to the end! The Chinese have a saying “May you live in interesting times”, and it has certainly been that! As I am penning this, this is day 385 of lockdown and as Elton John says, we are still standing”! That we are, are blessings, resourcefulness, tenaciousness and simply being South African hardegeat! With all of this happening, the astute members of Region D has gone about their business doing what Lions do best, serving their communities.

This is what clubs in Region D have been up to.

Projects – Clubs in Region D have still taken to heart to assist and focus primarily on hunger relief.

The breakdown for the 5 pillars are as follows:

Hunger relief = 431 projects

Environment = 32

Vision = 17

Childhood cancer = 18

Diabetes = 10

People served: 201307

The top 3 clubs wrt activities:

1. Durbanville – 267
2. Tableview – 126
3. Merriman – 122

The other clubs were also outstanding regarding their super valuable contributions.

Thank you to each and all.

Membership – minimal drops were experienced and some clubs actually upped their membership. Especially heartening was the fact that younger member were recruited. I think the future looks great! Well done!

My gratitude to the two Zone chairs and club Presidents in our region for their leadership skills and effort to maintain and motivate their members. I am very proud of you and your achievements! I also wish to congratulate and thank PDG Paula and her team for the interesting training and information sessions. Well done!

Thank you to the District Governor and every member of the cabinet for your assistance guidance and hard work making this challenging year in which even the week days went WTF... a success!

Let us keep the memories of our fallen members close to our heart and cherish them. Our Super hero's will forever be with us wherever we may go.

My best wishes to the District Governor and his team with the rest of the fiscal year.
May you stay safe.

And
Remember...

REPORT TO CABINET MEETING : SATURDAY 24 APRIL 2021

SUBMITTED BY : RASHID ADAMS

Both Zones 10 & 11 successfully hosted their third Zone meetings both of which proved to be resourceful as it covered a number of aspects aimed at future and positive growth for our Clubs.

On 13 March 2021 a number of Clubs within the region gathered at Muizenberg in support of Gender Based Violence by hosting the Men In Heels programme. Monies raised there and at similar events at other venues will be donated to LCIF.

The distribution of peanut butter sachets by 2nd VDG Charles Flanagan has proved to be a popular and well supported project. All of the Clubs who collected boxes of these sachets were able to re-distribute to various needy communities. For effective use and distribution of the peanut butter Kirstenbosch and Athlone Clubs have combined their efforts in supporting our Hunger project by jointly purchasing loaves of bread and together with the Gleemoor Baptist Church and the Seva Samaj Hindu Society of Cape Town will be distributing 20 000 sandwiches to various communities.

Environment Projects headed by DC Angela Niehaus have been initiated at a number of schools and public spaces along the Southern Suburbs.

I am confident that our Clubs will do much more now that lockdown restrictions have been moved to Level 1. Clubs are now considering personal meetings however are still accommodating those who wish to attend virtually.

All Clubs have chosen their new Board Members who will be serving for the 2021/22 fiscal year and Induction ceremonies of Presidents will be decided upon by each of the Clubs.

Clubs are looking forward to a fruitful 2021/22 year not withholding that the last twelve months have placed us in positions to do things differently and this in my opinion has strengthened us and we definitely will be able to face any future challenges.

Thank you.

Regards

	COMMENTS ON CLUBS (highlight difficulties or exceptional achievements)
BERGVLIET	Club has sadly lost 2 members due to death and relocation. Fundraising opportunities have been favourable. Did Easter Egg distribution in March. Eye screening at Fairmount High School scheduled for second week in April.
DEEP SOUTH	Club had a huge fundraiser and awareness Bike Run in Feb...Lions Branding and several reports in local news media.
FISH HOEK	Club doing well with new recruits. Responded to a FB appeal for help for 4 orphaned children whose caregiver (granny) was also involved in an accident. Club members made personal donations towards the children's wellbeing.
HOUT BAY	Club has managed to feed the vulnerable with the help of Peanut Butter and other donations. Hout Bay has lost many due to Covid 19. Club's fundraising opportunities still heavily compromised due to Covid 19...relying on donations to maintain feeding projects.
KIRSTENBOSCH	Innovative new service projects planned.... Diversity Celebration and Mandela Day projects are planned for May and July. Lions Diversity Camino (Walk) planned for June. Garden cleanup and new plantings at Abundant Life Palliative Care Centre and Meal in a Jar projects ongoing

NEWLANDS	Club still supporting 10 soup kitchens, have already met their membership target
TOKAI	Club still receiving substantial financial support from German Clubs and doing a tremendous amount of feeding and baby and mom toiletry/sanitary packs. Boys to Men back on track since lockdown and the first Weekend Away is 7 th – 9 th May. Several tons of nutritious peanut butter offered to all Clubs in the District to bolster their feeding projects.
	RECOMMENDATIONS / SUGGESTIONS / ACTION REQUIRED
	Zone achievements for the Fiscal Year thus far:
	The Zone membership has increased by 21 new members. Newlands and Tokai have met their membership targets and Fish Hoek have surpassed theirs.
	Tokai's partnership with Clubs in Germany and a Club in 410 E.
	2 nd VDG Charlie Flanagan has been absolutely AMAZING in terms of arranging those hundreds and thousands of peanut butter sachets far and wide.

For Attention: DG Pieter Nel

Membership report – 4th Cabinet meeting 410W

I'd like to take this opportunity to thank you for the privilege of serving on your cabinet this year – it has been quite a different year in many respects and challenges unlike that which we have seen before, your leadership and guidance has been outstanding and one that we as a District can be proud of.

This year we asked our Lions to forego the usual drive towards membership extension, and to focus rather on retaining their current members – at a time when so many are battling and feeling the effects of COVID19, both financially as well as through personal loss of friends and family, the need for addressing the well-being of Lions was paramount.

As the restrictions started to lift, more and more clubs started to venture out and resume projects again and have used this opportunity to invite new members into their clubs and the result has been an addition of **143 new members** to date (16 April) with a few more still in the pipeline before the end of your term as DG.

Sadly, we still **lost 134 Lions** – due to various reasons, we recognise and mourn the loss of those who have passed away.

The result is that we currently have a **net growth of 9 members** – and hopefully we see this number grow rather than decline before the end of the fiscal year. Thank you to each and every Lion who has embraced the challenges of the past year and still here to tell the tale – especially those who have invited new members to join our organisation.

**REPORT OF GLT TO THE FOURTH CABINET MEETING and DISTRICT CONVENTION ON THE
24TH APRIL 2021**

District Governor Pieter, Fellow Lions, it is indeed a pleasure to submit my fourth GLT (Global Leadership Team) report to Cabinet.

District Goals 2020 - 2021:

- 1) To support Lions to grow and develop in their knowledge and leadership skills by providing the necessary training and guidance to meet the needs of our clubs, district and the personal development needs of our members.
- 2) To build a strong District training team that is equipped with the necessary knowledge and skills to provide the necessary training for our district.
- 3) To start the implementation of a District succession plan to identify and equip future District leader. To encourage Clubs to implement Succession Planning at Club Level therefore securing future leadership for clubs and district.

1. Training:

District Light Leadership – 5 Leadership modules was presented weekly over February and March and was well attended by our lions. Next fiscal year we will be looking at building blocks to leadership additional modules to add onto the District Light Leadership program.

Incoming Club Officers training for next fiscal year has been scheduled to take place via Zoom. The training team will be meeting on the weekend of the 7-8th May to finalize the training material for Incoming Club Officers, Zone and Cabinet Officers.

In total we have presented 33 training modules which has been well attended by both our members and members from various other districts. Our presentations were attended by 1218 lions and guests.

ATTENDANCE District 410W	1109

Cabinet Officers	3rd July 2021

A huge Thank you to our members for attending the various training sessions and for the many positive comments that we received regarding the quality of our presentations.

2. District Training Team:

At the start of this fiscal year the training team had to adapt very quickly to present training virtually which they accepted with great enthusiasm, dedication and determination. We learned and shared information with each other to enhance our training skills. The training team meet monthly to plan the way forward and to discuss training matters therefore having a clear guideline as to what needs to be accomplished. We have accomplished our goals for this fiscal year.

We have a strong District training team; our presentations/ training is of a high standard and we can only be proud of our Districts Training Team. It has been a pleasure to work with this great team.

3. Succession Plan:

As agreed, we will include a Succession Plan module with the Incoming Presidents training as clubs need to take responsibility for the leadership of their club. This will be one of our focus for the new fiscal year.

4. Quarterly Communication GAT:

Three editions of GAT on the Move were circulated to clubs the next edition will be circulated soon.

5. General:

District Governor Pieter wishing you a very successful 4th Cabinet meeting and District Convention, Thank you for your support throughout the year.

District Governor Pieter and my fellow Cabinet members

Unbelievable! Here I am writing my last Cabinet report for this fiscal year.

Below are the figures as reported for the period July 2020 to March 2021.

Service activities to date:

Global Causes	Number of people served	Number of activities
Diabetes	3947	45
Environment	30410	119
Vision	3185	70
Childhood Cancer	2281	75
Hunger	929386	1344
Other	81162	1427
Total	1050371	3080

% of Clubs reported year to date: 96%

We only have 3 Clubs that I am battling with

1 – Cancelled Club

1 – Club in the process of being cancelled

1 – Will be done by the end of April

Currently we are 2nd in our Constitutional area.

Yes, that is correct, we past the **1 million mark** of serving our communities in our District. I am absolutely thrilled with the progress we achieved this year.

Walk in Heels: Will be reported under LCIF portfolio

April month: Lions Awareness Month –

The button badges and bags formed part of the Multiple District PRO grant that Lion Sandy van Heerden applied for. We might be getting more of the bags to be distributed in the District.

It is a pity that not all Clubs are participating in the awareness campaign, but we managed to get 31 Clubs that are taking part. We planned the project for the 10th of April, but a number of Clubs must still complete their activities.

The projects and photos posted on Facebook, are proof that the Clubs are doing amazing work in their communities and serving with passion.

I will be sending a final report to the Cabinet officers and all the Clubs after the end of the fiscal year.

Thank you DG Pieter and my fellow Cabinet members for your support during the year.

I wish you all good luck for the remainder of our year and remember I am only a phone call away.

Grants:

Matching Grant: Diabetes

LCIF has extended the timeline for this grant. The testing strips will expire at the end of June. LCIF have agreed to changing the parameters of this grant. We can hand risk assessment forms to schools. Anyone bringing a signed assesment form will be tested for free. All others to make a donation of R15, to cover the cost of the consumavles. All testing will have to be COVID-19 compliant with screening, temp taken, relevant questions answered and recorded. One registered medical person, with a current valid medical certificate must be present eg Doctor, nurse, pharmacist, paramedic etc. Screening can be held at Lions clubhouses or local shoping centres. The money donated will purchase new strips, so we can test at schools, once we are allowed back in. All details to go out.

Disaster Grants: Covid-19

Masks are being delivered to individual Clubs for distribution. Please take photos and send an articcle through for LCIF requirements. Please get a anem, designation, email address and contactable phone number of the person you deliver too. Invite local press and radio and wear your Liosn shirts/waistcoats.

Club Matching Grants in process:

I am working on the Henties Bay's Dimentia Centre grant application, to see if we can meet the LCIF grant needs and change the application to something more suitable.

LCIF & LCIF: Campaign 100 Goals to date:

Fundraising: R100 00.00/\$6000.00 **\$12 488.97 raised.**

R68 665.00/ \$4664.06 raised with Walk in Heels with **R3 650.00/\$228.13** to still come as two Clubs have not sent POP through.

LCIF/Campaign 100/MJF lunch

Due to COVID-19 and Athol taking part in the Zondo Commision, this event is on hold.

I challenged the Cabinet and Presidents to contribute. Only three made a donation: RC Charlotte, Lion Bevill and myself. There is still time to make a donation, no matter how small.

Donations will be asked for at our District Convention and an email will go to all Clubs who have not made a contribution this year. If Zone Chairs couls also push the Clubs in their Zone – counts as one contact point.

2020-08-01, New Voices report to the fourth District 410W Cabinet meeting.

New Voices: PDG Geila Wills.

District Governor Pieter, fellow Cabinet members, wishing you all a wonderful Virtual Cabinet meeting.

The **2020-2021** New Voices Initiative promotes gender parity and diversity and seeks to increase the number of women, young adults and underrepresented populations within our association. It features a diverse group of Lions who strive for excellence in one of four areas: Service, Membership, Leadership, and Marketing.

District Governors are a key part of the New Voices initiative, as it is up to them to select and nominate four New Voices in their District, one in each category.

Membership: Sharon Mangwende (Cape Town)

Leadership: Rashid Adams (Athlone)

Marketing: Bevil Lakay (Mitchell's Plain)

Service: Bonita Noeth (Sedgefield)

Two of them assisted with the Walk in Heels and make a great contribution.

We need to give them all an opportunity to run two training sessions. I have spoken to GLT Paula and I am meeting with the team on Wednesday 21 April to plan the dates and content. We will try and plan a project for later in the year.

Role of New Voices Nominees

- Districts should provide New Voices nominees a platform to voice their views in clubs, zone, region and district meetings, so they may spotlight their achievement and share their success.
- New Voices nominees should work to identify projects that women, young adults, and diverse populations can connect to. They should also lead these projects in their districts.
- New Voices nominees should encourage and mentor others to take up leadership roles in the clubs and districts.
- New Voices nominees should work in clubs and districts to promote stronger membership that is inclusive.

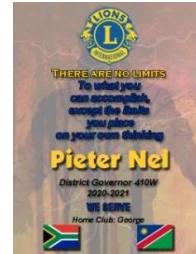

2020-08-01, New Voices report to the fourth District 410W Cabinet meeting.

New Voices: PDG Geila Wills.

Dear District Governor and all Cabinet members,

Please do see below summary of Marketing and Communication over the last quarter

- Content is still regularly posted by all moderators and Clubs use the page to post their projects.
- I started to create events on our Facebook page to promote the training sessions.
- The Lions Information Brochure was put on hold, awaiting DG feedback.
- On the 7th March 2021 I was invited for a radio interview on the Voice of the Cape to speak about Lions Clubs International. It was great exposure for our organisation and our district.
- The “Lions in Heels” project was an amazing success and we accomplished the goal :
 - to promote brand awareness of our organisation on social and print media as well as television,
 - awareness to Gender Based Violence and
 - raise funds for LCIF.

Regards,

Bevil Lakay

Marketing and Communication

At this stage the Diabetes grant screening is still on hold as we cannot test due to the covid 19 social distancing. Some schools will let testing be done.

In the meantime an app has been sent to all clubs in the district. Each club has its own log in number this must be used for each person tested.

The app is as follows diabetesrisk.org/ clubs number

This app is a diabetes risk awareness by answering questions on the app which at end of the questions it gives a risk factor, this is also linked to Lions International All screening can be load to mylci for reporting.

The following clubs screening Diabetes via app up to end February

Deep South 856

Mitchells Plain 804

Athlone 547

Durbanville 506

George 400

Windhoek 351

Fish Hoek 283

Stellenbosch 240

Eden 179

Cape of Good Hope 141

Seapoint 134

Bergvliet 99

Sedgeflied 95

Tokai 46

Newlands 44

Total of screening across the district as it stands today 4745 22 other clubs have used the App just need to get their totals up.

We also got Brand med on board who have sponsored total of 40 glucometers which I am deeply grateful. We have 50 glucometers .in consultation with DG Pieter Nel I have sent some to clubs. All clubs have been notified . also we must start using the glucometers and test strip as the all expire in August 2021

Thanking you

SIGHT REPORT – CABINET – April 2021

The trauma, both financial and psychological, caused by Covid 19, created a backlog in the sight testing/screening of people requiring spectacles or further treatment of people needing eye care.

However we seem to have recovered to a certain extent, and screening appears to be at 50% of the previously normal rate

Brightsight has recently supplied specs to: Durbanville, Eden, George, Knysna and Paarl

Merriman club also donated R1000 to Lions Operation Brightsight, which is fantastic.

Brightsight needs all the support it can get, and we need more clubs doing screening and supplying specs, PLEASE

COLLECTION OF USED SPECTACLES

Clubs that have been collecting specs for Brightsight include:

Athlone, Tokai, SeaPoint and Stellenbosch, who are sending 491 specs this week. Well done!

Also Helderberg and Durbanville, FishHoek (120 specs), and Knysna who have specs to send.

Please call Kirsty at Brightsight to have them collected.

Screening:

Teachers are excited about using the Spot Vision to detect problems with the pupils' sight, so that they themselves can identify the children needing screening by an Optometrist. Knysna started this in this area and has now handed our Spot Vision to Sedgefield for a school there. This has to be done with the consent of the Head of Department and the School Principal, but it seems it is easily obtained. We loan the Spot Vision with the full instructions on a flashdrive so that the teacher can easily follow the instructions. We have asked that grade 1 be tested (for congenital defects) and Grade 3 for developing myopia, and also any children in other classes that are identified by other members of staff.

Children identified with problems are then sent to an Optometrist. SpecSavers do many children pro bono, as do most of the other Optometrists.

Please order any spectacles needed from Brightsight.

We desperately need to screen children for sight problems as the average class has between 12% and 15 % of the children needing some form of assistance. That is an enormous number.

Tokai, Kirstenbosch and Bergvliet support the Jonga Trust. I notice that Jonga is looking for a donor to supply specs for 6 children from Ons Plek

SIGHT FIRST

In the Eden district alone there is now a backlog of some 1100 cataract operations. At the moment

the only cataract operations being done are those where the person cannot do their work or their sight is so bad that they are in danger of falling.

Athlone club has a patient who requires a special cornea operation, namely a DEMA^K procedure

There are only two Ophthalmologists in Cape Town and one in George who do this procedure, so if anyone has a contact that can negotiate a special deal?!

There are Ophthalmologists at both Tygerberg and Groote Schuur who can help with normal corneas, detached retinas and cataract operations.

PLEASE DON'T FORGET TO make use of Brightsight.

It is OUR project for OUR clubs to use for OUR PEOPLE.

They are very efficient and extremely helpful, and we need to show our support.

Let us get South Africa seeing effectively at a reasonable price.

Environment

Hello All

Herewith my Environment report. My Microsoft licence has expired, so cannot access Word or Excell documents.

16Feb21 Started the veggie garden in 201 plastic containers at Fairmount High School, Grassy Park, planted some veggies, as they hadn't got their compost or manure yet as the soil is hard and very dense.

Showed them how to start a compost bin using 3 tyres one on top of the other To date have planted 30 Spekboom next to fence around 3 sides of the veggie patch. Also planted 2 Grenadilla plants to start growing on one fence.

They were given a lot of wooden pallets from Poly Oak, so getting someone to make deep planter boxes for them.

15April- I visited the school again to plant more veggies- Leeks, turnips, celery and tomatoes, was pleasantly surprised to show the teachers and pupils(who gathered around me) that they have a large green pepper, green tomatoes, green beans needing to be picked, and 2 large turnips ready for the soup . Butternuts are forming but mildew needs to be treated on leaves, and Aphids on Kale must be seen to.

I also gave Mrs Rhoda Ghoosain, who initiated the veggie garden, 5 lovely gardening books donated to Bergvliet Lions Club. So they were very thrilled

2.Guardians of the National Treasure-Lions Nigel Jones from Cape Of Good Hope Lions Club. I still work very closely with him as he is busy with 4 veggie sites in Lavender Hill. When ever I have veggies that are ready to be planted out I give him a call to collect. The last new garden was in Muir Court, where the residents have come together , cleared a plot and getting involved in planting and maintaining the veggie garden, They got shade cloth to put on the fences as a wind break, then planted the donated spekboom around the fence perimeter. got a flower garden going too, planted some small trees they received.

I have also given L Nigel 6 Gardening books that were donated to Bergvliet Lions Club. So they were very thrilled.

24Feb- helped with weeding on the sand dunes at Princess Vlei wetland. The small seedlings we planted last July have grown nicely but were choked by weeds.

25feb- Took a tour of ECD's in Lavender Hill that was started 3 yrs ago by Leanne Reid of Learning in Reach, to have a look at the one veggie garden next to their pilot Montesori ECD in Montagu Village, Lavender Hill. The gardeners are local guys who are dedicated and show great interest in what they have created, even cleaning up the kiddies play park adjacent to the school.

The gardeners have also started a worm farm in the tyres they have collected, I was very impressed.

10March- Attended a very informative Environment Zoom session, with Lions clubs around the world, which the DG alerted me too.1USA-Rushmore Keystone Park-after a devastating tornado that virtually destroyed the wooded park, Lions came together , cleared the debri and rejuvenated the walking trails for their community

2.Turkey-Due to the severity of the 10 yr of wars the Bee colony was nearly wiped out, Lions from Istanbul identified the mountainous region of Beymelek to train women to be bee keepers- project called No Bees No Life

3. Mumbai- PDG Deepak Chaucheri initiated a water project. due to extremely hot weather and very little water he organised 21 check dams through the region to store water in the rainy season. The farmers were desperate, but since the dams have been built they can irrigate their crops and the land around is lush and green too. Next project is erecting Solar panels

4.Nyc and Bermuda- PID Gavin Brown told about a large playground built for special needs kids but to play with normal children

too. Lions, parents and OT specialists were involved to plan the play ground. Baseball offered, Horse riding for the vision impaired , Fishing on the lake enjoyed by hearing impaired children, shown to keep waterways clean, assist to help tend the plants in the gardens.

5. France- District 103- Cleared Pollution along a 100 km tarred road, 800 Lions in the district assisted, collected 10 tons of waste. Its a yearly project always in March called Environment Rondeous.

Abundant Life Palliative Care Centre, Wynberg Cape Town, brain child of Dr Clint Cupido, of Victoria Hospital just close by, and a member of Kirstenbosch Lions Club I was invited by LP Zainunesha Abrahams to inspect the large property and see how we can beautify the grounds for the staff and patients. The veggie garden was already up and running, done by Mrs Ghalema Easton and husband who started the pavement gardens in Plumstead..I have removed and repotted lots of plants from my garden to plant there, to make way for a veggie garden in my garden, But on further inspection 2 weeks ago there are workmen busy making a driveway on the empty plot and the rubble bags are now on the lawn along the paths where I want to plant, so I need

to wait for the construction to be done, before I take my plants there. Also much weeding needs to be done all over the gardens too.

10April- I was invited by LP Heather Lee of Cape of Good Hope Lions Club to help them with a project in Vygieskraal, clearing a large area next to an access road, just littered with everything imaginable. This was a wish of Deceased RC Charlotte Jubelin, as she grew up in that area, her sister Lizzie lives opposite this large vacant piece on land . Well 80 black bags later, with the help of the community and all the children, the Lions from the club had already handed out masks for those who didn't have, gave each of them plastic gloves, was a challenge to put such tiny fingers in the large gloves, after the cleanup had them line up, gloves removed and hands sanitised, then they dished out 4 sachets of Peanut Butter sachets, fruit, veg and half a loaf of bread to each child. It was very emotional, and no trees no shade, only one we had near were we parked

Now that this large track of land has been cleared, City council was coming to collect all the bags later that day, the next is to get manure and compost delivered and leveled over the land, and then the veggies will be planted. The adult residents are very excited so lets see what happens next, that the garden will be maintained. I have also suggested they ask the councilor to organise some trees to be planted on this vacant plot as well.

I have been asked by Southfield Primary School ,around the corner from me, to also help to beautify the school front entrance, which will happen in the next week, as I have lots of plants to contribute.

Planting Spekboom pieces is ongoing,(my grandson love the clippers to go around the garden and snipping any spekboom branch that sticks out, making lots of work for me to get them planted. I got a donation of tins and plant pots and compost.

Sowing Veggie seeds is also ongoing, got the Fairmount High School to fold the ends of the toilet rolls for me, so the soil doesn't fall out. Have collected seeds from my Celery, Cos lettuce and Fennel plants to be used again.

Cant think of any thing else

LEO District 410W 2020/2021

District 410W Leo Representative report April 2021

Although the pandemic is hampering the efforts to present at schools, we have had some successful campaigning. At the Brackenfell Leo's meeting six prospective members attended and some will be inducted in April.

During the second semester three clubs have requested assistance with a presentation to prospective members, these will be scheduled forthwith.

A number of young leaders have been identified and shown interest to participate in projects currently being proposed. As expected, this is a tedious task and requires perseverance.

As we enter into lesser pandemic constraints and allowance for larger gatherings are afoot, momentum should pick up.

Wish me well in this final quarter of our Lionistic year.

Yours in service

David Jacobs.

**NEWSLETTER
PEACE POSTER / ESSAY CONTEST 2021/2022**

**DISTRICT 410 W
DC – FELICITY VAN ECK**

'WE ARE ALL CONNECTED'

In keeping with the theme of this year's Lions International Peace Poster 2021-2022 "WE ARE ALL CONNECTED" provision is created for young people (aged 11-13) everywhere, through creating peace posters, and therein they get the chance to express their visions of peace through unity and inspiration in the medium of art and creativity.

During these uncertain "Covid" times peace is not guaranteed and while this is unfortunate, it also allows us the powerful opportunity to figure out how to achieve peace and connect individually and in our communities, and who better to map out the theme "We are all Connected" than our youth.

PEACE ESSAY CONTEST

Created to give an opportunity for visually impaired young people to express their feelings of peace, in a world where we are all connected, the International Essay Contest is a staple of Lions Clubs around the world. Lions work with local schools and area families to identify young people who are interested in participating and who could benefit from this program. One grand prize winner will receive an award and US\$5,000.

Each essay must be submitted with a completed entry form. Essays must be no longer than 500 words in length, submitted in English, typed in black ink and double-spaced.

PEACE POSTER CONTEST

For over three decades, Lions Clubs around the globe have been sponsoring a very special art contest in schools and youth groups. More than four million young people from 100 countries worldwide have taken part in the contest.

The young artists are free to use a variety of art mediums. They are encouraged to portray their life-experiences and culture in responding to the theme, "We are all connected".

Every Lions Club is encouraged to engage with young people in their community to sponsor a Peace Poster contest entry.

PURCHASING A PEACE POSTER KIT

Lions Clubs need to order a Peace Poster kit to enter the contest. Peace Poster kits are available at District Office and obtainable from Lion Sandy at a cost of R280 per kit. They are available until the 1 October 2021.

Each kit contains:

- Official club contest guide and rules
- Official school or youth group contest guide and rules
- Participant flyer to duplicate and give to participating students to take home
- Sticker to place on the back of the winning poster
- Certificates for the contest winner and school or youth group.

PEACE POSTER JUDGING

Each poster is judged on originality, artistic merit, and expression of the theme. Entries advance through several judging levels local, district, multiple district and international.

All district winners need to be received by 1 December. An overall multiple district winner is then selected, and submitted for the international judging stage.

At the international level, judges from the art, peace, youth, education and media communities select one grand prize winner and 23 merit award winners.

Thank you to the Lions Clubs who are already participating and let us connect together in District 410W and each Lions Club enter this exciting and innovative project which is afforded us by Lions Club International.

IMAGINE with all your mind
BELIEVE with all your heart
ACHIEVE with all your might.

Wishing you every success as "We are all Connected" in making our District 410W Peace Poster Contest the best ever.

THANK YOU!

Report to Cabinet meeting for Christmas Cakes 2021

Last year cakes were phenomenal even with all the difficulties encountered, so hopefully more clubs will come on board this year so we can improve our orders.

Payments completed for 2020, 3 clubs in District W were late so please remember for this year that all payments must be submitted before the 31 December. The Clubs received there rebates for early payment and this will apply again this year.

A presentation of step by step information was send to all clubs. Please make sure your members and cake chairperson are fully aware of what to do.

I am not going to repeat what is in the presentation. Please refer to it as this covers everything.

This year we hoping to sell the cakes at R135 (this will be decided on at Multiple District)

This will leave a profit of R38.30

Our District takes a share of the profits, but I hope that this year we will agree on a smaller figure. This is for discussion once the selling price is confirmed.

Exciting news is that bakery is working on a 700gram cake. Let's wait for the sample and get excited together.

So Fellow Cabinet officers please give the Christmas Cake Project your full support and let's promote and sell huge amounts.

Best Regards

4th CABINET MEETING 24th April 2021

PORTFOLIO: **Youth Exchange**

BY: **Charles Flanagan**

Dear Cabinet members

The last quarter of the Lionistic year is upon us. The challenges for Lions worldwide continue on the YEC front, with many countries still being in various stages of lockdown. This is my 5th Year as DC for YEC. I am stepping down at the end of this year as DC YEC due to various other Lions' responsibilities. My years as youth exchange chair has been remarkable with many visitors from across the globe. Great experiences and many friends being made. It has been an honour and privilege to hold the position. The programme has only been successful as a result of the generosity of the Lions clubs who have supported and hosted Exchange students over the years. Thank you as a cabinet for your ongoing support. I wish the new YEC DC the very best with their position and portfolio.

LOCAL YOUTH EXCHANGE

The Lions-Boys to Men weekend program has been a huge success for the last 5 years and having the support of both Cabinet and many of our clubs in district 410W has contributed to the success. I am very pleased that District 410W is continuing to support the program. There has been amazing transformation of the youth who have done the program and the follow-up sessions. We have made a huge difference in our communities with life changing results. So, a very big thank you for the support and participation of clubs and cabinet.

The "Platteland and Garden Route" weekend has been scheduled for the weekend of 4th -6th June in Bonnievale. This weekend has already got 14 boys confirmed on the weekend and boys will be coming from Sedgefield, Worcester, Knysna, Swellendam and Hopefully Ceres.

The 3rd weekend is scheduled for the weekend of 7th – 9th May 2021 which is being held at Bloublommetjieskloof in Wellington. This weekend has already got 17 boys booked and the 2 extra boys we have managed to get private sponsorship for.

A huge thanks to B2M staff, facilitators and the boys who continue to run the weekends in conjunction with district 410W and the clubs.

Correspondence regarding the weekends has been sent out to clubs to inform them of the dates etc.

International Youth Exchange

There are no current youth exchange camps for the balance of the Lionistic Year in S A and a very select few worldwide.

Hopefully there will be lots of youth exchange camps and visits in the new Lionistic Year.

Let us hope that the worldwide covid situation becomes better now that there is a roll out of vaccines in various countries and that we can get back to travelling and experiencing new cultures & countries worldwide through youth exchange.

The youth are our future, and it is important to invest time in them so that they too can step into their brilliance, strive and be in service to their fellow man.

Kind Regards

REPORT TO CABINET MEETING APRIL 2021

PORTFOLIO: **Girls to Women Weekend**

BY: **Jules Flanagan**

Dear Cabinet members

My report and request for District Funding is as follows:

Girls to Women Weekend

Following approval of District sponsorship of the first Girls to Women Weekend in May, I sadly have to advise that the weekend will not happen in May.

As Cabinet members may know from Boys to Men, for this type of weekend to run it is essential the team running the weekend are experienced and knowledgeable in the processes which happen over the weekend. With restrictions of COVID over the past six months, there has been some disconnect with the team of women who were training to do the weekend. My feeling is that this team of women are not experienced or ready to run a girls weekend.

However, I am looking at other possibilities to the girls weekend, still a powerful enlightening weekend for girls, however likely to be slightly different model to the Boys 2 Men weekend.

I will continue to look at the best options so we have something great for the girls, however this will be put forward as a proposal for the next DG term.

Kind regards
